

#1

The University of Surrey's Global Centre for Clean Air Research (GCARE) invites you to join the

Webinar series

GLOBAL INDOOR AIR QUALITY AND RESPIRATORY INFECTION

A knowledge exchange platform across the ODA countries with the aim to share and discuss state-of-the-art best practices on indoor air quality and respiratory infection globally.

Professor Lidia Morawska

Queensland University of Technology Brisbane &
University of Surrey's VC-Fellow

Title:

Indoor Air: from science to policy
